## SUMMARY

Aspiring Full-Stack Developer with a Computer Science background and solid knowledge of the MERN stack and Java Spring Boot. Experienced in building web applications and passionate about learning new technologies and solving problems through code. Seeking an opportunity to contribute to a development team while continuously enhancing my skills in modern software development.

## TECHNICAL SKILLS

**Programming Languages:** HTML, CSS, JavaScript, Java, MySQL

**Frameworks & Libraries:** MERN Stack (MongoDB, Express.js, React, Node.js)

**Tools & Technologies:** Git, GitHub, Postman, MS Excel, Google Workspace

**Core Concepts**: Web Application Architecture, OOP, Data Structures & Algorithms, SDLC, DOM Manipulation, MVC Architecture, Agile & Scrum, Responsive Web Design, JWT Authentication, CRUD, API development, debugging, version control workflows

## PROJECTS

**E-Commerce web application – Reactjs, Springboot, Mysql**

- Built a grocery e-commerce web application using React and Spring Boot, where users can view products and browse products easily with data stored in MySQL through REST APIs.

**Task-Management system – MERN Stack**

- Developed a Task Management System using the MERN stack (MongoDB, Express.js, React, Node.js), implementing key concepts such as CRUD operations, RESTful API design, and state management in React to efficiently handle user tasks.
- Implemented CRUD operations for task management, enabling dynamic data handling between frontend and backend.

## WORK EXPERIENCE

**Executive – Personnel |** Aparajitha Corporate Services Private Limited, Madurai, Tamil Nadu | Feb 2025 - Oct 2025

- Managed employee document verification processes and maintained accurate employee records
- Coordinated with internal teams to organize personnel records, reducing documentation errors and delays.

**Data Conversion Executive |** Diacritech Technologies Private Limited, Madurai, Tamil Nadu | Oct 2021 - Oct 2024

- Delivered projects with high precision in formatting and layout consistency, meeting strict eBook publishing standards.
- Produced high-quality interactive eBooks through accurate data formatting and digital content conversion.

## EDUCATION

**B.Sc. Computer Science** | Madurai Kamaraj University College, Madurai, Tamil Nadu | 2018-2021 | CGPA: 7.0/10

**Higher Secondary Certificate (HSC)** | St. Mary's Higher Secondary School, Madurai, Tamil Nadu | 2018 | Score: 74%

**Secondary School Leaving Certificate (SSLC)** | St. Mary's Higher Secondary School, Madurai, Tamil Nadu | 2016 | Score: 80%

## CERTIFICATIONS

- Junior Software Development Certification – Vinsys IT Services (TNSDC) | Dec 2025 - Mar 2026
- Diploma in Desktop Publishing (DTP)
- Typewriting certification (English – Lower Grade)

## CORE STRENGTHS

- Quick learner with the ability to rapidly understand and apply new technologies and frameworks.
- Good analytical and problem-solving skills with an emphasis on clean and maintainable code.
- Skilled in AI prompt engineering to leverage AI tools for coding assistance, debugging, and learning.
